Наши экспоненты представляют широкий спектр продукции, включая **оборудование и технологии для изготовления бумаги, картона, а также переработки макулатуры, химикаты для бумажной промышленности, джембо-рулоны, полиграфическую, салфеточную, упаковочную, гигиеническую, картонную продукцию** и многое другое.

Национальный выставочный центр г. Абу-Даби (ADNEC).

Почему?

- Абу-Даби – это один из самых экономически мощных, процветающих, безопасных и стабильных регионов мира.
- ADNEC является одной из важнейших площадок для проведения выставок и конгрессов как в ближневосточном регионе, так и во всем мире.
- ADNEC расположен в 25 мин. от центра города и в 15 мин от международного аэропорта г. Абу-Даби.

В ОАЭ сосредоточено более 160 предприятий целлюлозы, бумаги, картона и упаковки, что делает их крупнейшим центром бумажной промышленности в странах MENA. В 2025 году, в рамках выставки, также пройдут B2B встречи и конференции по устойчивому развитию и целлюлозе (**MENA Pulp Week**), которые позволят участникам обменяться актуальной информацией и провести деловые переговоры с международными партнерами.
