## 9<sup>TH</sup> PAPER WEEK SYMPOSIUM 2024

Our annual Paper Symposium brings together senior representatives from the best and largest companies in the international paper industry. We take great care in selecting all participants to ensure that their interests are realised in a pleasant business atmosphere. Each year the geographical spread and representation of suppliers and potential customers increases.

For the upcoming Symposium, we are aiming for the presence of more than 20 sponsoring companies, represented by senior executives and technical experts. They will have the opportunity to showcase their products and services and conduct B2B meetings on a professional networking platform in luxurious Limak Deluxe Hotel.

The symposium is also expected to attract senior executives from more than 150 companies representing top potential customers from Europe, Turkey, Middle and Far East, USA, Africa and CIS countries.

## WHY YOU SHOULD PARTICIPATE

It is a great opportunity to:

- Develop your business in today's challenging economic environment;
- Present your products and services to major potential clients;
- Conduct B2B meetings with competent high-level representatives;
- Expand your professional network and strengthen friendly relations with business partners in the atmosphere of comfort and cooperation. mutually beneficial
